Proposal By Mr. N. Chandrasekhar (LM 005)

Dear Chippa,

Thanks for your response. But, I wanted to start last year only but as the presenter Dr. Gokhale expressed his inability to attend the Conference, it was postponed to this year. As you said this presentation is possible only in 2025 as per Coimbatore resolution. But my special request is to start the trophy this year only as Dr. Gokhale is coming to conference to Bhuvanesar and kindly consented to present the award. This you can take as special request and oblige. Your other part of the resolution not to entertain any politician is commendable. Please see that you do it this year as our perfusion community owes so much to Dr. Y.Y. Needu. He did so much to our profession.

Resolution in AGBM2023 Coimbatore

After long discussion it's resolved in ISECT AGBM2023 Coimbatore that from hereafter ISECT will sponsor all scientific awards with names. Those names appear on medals, trophies, certificates of only great personalities from ISECT Life Members in Perfusion Technology & cardiac surgery who contributed to our profession. No leaders or politicians or any other names will be allowed to be inscribed or named after.

All the awards would carry the name of ISECT only.

If the sponsors still want to donate towards the same they should deposit it to ISECT account.

Above mentioned proposal by **Mr. N. Chandrasekhar (LM 005)** not accepted.

Mr. Goh Si Guim of Singapore regarding conducting the next FAPS meeting at Singapore in 2025 along with the ASCTVS 2025 meeting. In 2020 FAPS meeting scheduled to be held in India was cancelled due to the pandemic.

ISECT has not started planning to hold the FAPS conference in India this year, can we give a green signal for it to be held next year i.e. 2025 in Singapore.

It's resolved inAGBM2024 Bhubaneswar that Ms. Kinnari Chudasama will communicate with Mr. Goh Si Guim Singapore & will report to ISECT GS.
